

2023 ED TROXEL ENDOWMENT SCHOLARSHIP

Forty-seven years of coaching and teaching high school and college students is a testament of Ed Troxel's belief and commitment to helping draw out the best in young people. He took great joy in seeing his students grow into young adults and citizens who would in turn, lead the next generation.

This scholarship provides funds to graduating seniors from Kennewick, Kamiakin and Southridge High Schools, who will attend a post-secondary school, college or university. The Board of Directors and the scholarship committee have chosen to award two \$8,000 scholarships: one to an outstanding female student and one to an outstanding male student.

Each \$8,000 scholarship will be distributed over a four-year time period at a rate of \$2,000 per year. The funds will be paid directly to the institution at the beginning of each school year, upon receipt of proof of registration. It is the responsibility of each recipient to contact the Ed Troxel Endowment Board of Directors to initiate disbursement of funds.

Thank you for considering the **Ed Troxel Endowment Scholarship** to assist you in your educational journey. We wish you the very best!

Sincerely,

Ed Troxel Endowment
Board of Directors
